

A romantic wedding couple is shown in profile, embracing and kissing. The groom is wearing a dark suit and a flat cap, while the bride is in a white lace gown with a long veil and holding a bouquet of white and blue flowers. They are standing in front of a brick wall that features a large, colorful mural of a woman's face. The scene is lit with warm, golden light, suggesting late afternoon or early evening.

Room Hire

The Severn Suite

£180.00

Traditionally decorated, this suite is ideal for intimate receptions and family events for up to 35 guests

The County Suite

£180.00

Again, decorated in a more traditional theme, this suite is suitable for receptions for up to 40 guests

The Gheluvelt Suite

£250.00

This being the largest and most modern of our function suites can accommodate up to 120 guests for the wedding breakfast and an evening event with disco and dance floor for up to 120 people. A room hire charge is applicable should less than 60 guests attend the sit-down meal.

If you decide on a more intimate wedding breakfast in either the Severn or County Suites and would like to finish the day with a large evening reception, the Gheluvelt Suite is available for a room hire charge of

£500.00.

Included in the cost of the Civil Service room hire is a floral arrangement for the registry table in colours to complement your theme and the red carpet.

Car Parking

As facilities are limited, car parking is subject to availability and is chargeable. There are a number of spaces that can be reserved in advance to ensure a guaranteed parking place and these are charged at £20.00 per day.

Two guaranteed spaces are included in this package.

Please liaise directly with reception if a guaranteed space is required.

Disabled spaces are located on the immediate left and right as you enter the car park.

All spaces are available from 3.00pm on the day of arrival until 11.00am the following day.

As there is only a small car park on site, we should be most grateful if you would encourage your guests to arrange alternative transport

Something Old, Something New...

This saying dates back to Victorian times and the full version is '*something old, something new, something borrowed, something blue and a silver sixpence in her shoe*'

Something Old - represents the link with the Bride's family and the past. A popular choice for Brides is to wear a piece of family jewellery.

Something New - represents good fortune and success in the bride's new life. The wedding dress is often chosen as the new item.

Something Borrowed - is to remind the Bride that friends and family will be there for her when help is needed.

The borrowed object might be something such as a lace handkerchief or an item of jewellery.

Something Blue - symbolises faithfulness and loyalty and dates back to biblical times when blue represented purity. Brides often choose a blue garter to wear. Silver Sixpence in her Shoe is to wish the Bride wealth both financial and happiness
